My Dear Sir;-

My client, Bella McKenzie, purchased of the Cynthia Roby estate a tapestry picture worked by Mrs. Roby, which she wishes to loan to the Public Library, if such a loan would be acceptable to the trustees.

If you will kindly inform me if this would interest the trustees I should be greatly obliged.

Very truly yours,

Trustees of Wayland Free Public Library,

Wayland, Mass.

Alfred W. Cutting, Secretary.

My Dear Sir;-

With this letter I am delivering to you a tapestry picture, Queen Katherine, worked by Cynthia C. Roby whose husband was the donor of the Library Building, and this picture is loaned to the trustees of the Library to be hung in such part of the Library as they may think proper. The loan is made with the understanding that there shall be no liability on the part of the trustees, either personal or as representatives of the Town, for any damage which may be done to the said picture in its ordinary care and use. This loan is made to carry out the wishes of Mrs. Roby, and it gives me great pleasure to do this act.

Very truly yours,

Isabella MacKenzie.
